HAITI NEW LIFE MINISTIES—Newsletter

God is Amazing!!!

Dear Friends and Partners,
Greetings from Haiti New Life Ministries! Thank you for your prayers and faithful support. By God's grace, **we reached our $25,000 matching fund goal** before our March fundraiser and raised an additional $12,000 at the event.
Because of your generosity, we were able to place a $25,000 down payment on new property, pay property taxes, upgrade the ministry bus, purchase solar equipment for the new store, buy 1,000 banana plants, purchase a three-wheel delivery truck, and soon a freezer. We are also applying for grants.
Thank you for helping us continue building for the future and serving northern Haiti with hope and faith.
Blessings, The Haiti New Life Ministries Team

End of Year Goal:

By God's grace, we have made great progress this year, including the down payment on our new property. Our year-end goal is to raise the remaining $55,000 to complete the purchase. We received another donation in June and we are now halfway there. After purchasing the property, we can focus on developing our new campus.

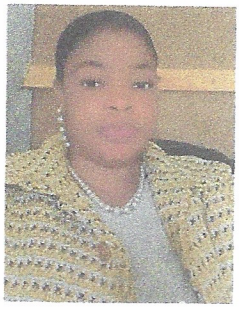

Technical School & Messiah University Update

Another successful term at our Technical School & Messiah University is ending! Graduation ceremonies are underway as we celebrate our students' hard work and accomplishments. Registration is now open for the next session, and we look forward to welcoming a new group of students as they gain valuable skills and prepare for brighter futures.

Storefront Update

We're excited to share that our new storefront in Haiti officially opened on June 1! This new space is already helping us expand our rental and delivery services, making it easier to serve the community and meet local needs.

Thank you to everyone who has supported this project. Your generosity and encouragement made this milestone possible, and we look forward to sharing more updates as we continue to grow.
