HAITI NEW LIFE MINISTRIES

NOVEMBER 2025 UPDATES

Be on the lookout for the 4th Annual *Haiti New Life Ministries Fundraiser* happening March 2026!

2 Day Electrical Seminar

November 2025 - We are committed to seeing God move in Haiti. Every time we visit, we are reinforced with our commitment to bringing a positive change through faith and education. We know this is where God is using us to make a positive change in the world.

Thank you for your ongoing support and prayer!

Recent Trip to Haiti: A Journey of Faith and a Renewed Vision

Warmest greetings to all our friends and supporters,

On September 1st, Haiti New Life Ministries moved the campus from Empowered Global back to our Vaudreuil property. The loss of access to the Empowered Global campus increases the priority of the purchase of a second parcel of land as we look to grow and expand the Haiti New Life Technical School.

With the campus change, renovations to the Vaudreuil property's buildings were at the forefront of Gary and LeAnne Glabe's September trip to Haiti, as well as furthering progress on the New Life Plaza storefront. We are pleased with the accomplished work. Our end of November trip will bring the storefront closer to completion with the installation of interior walls and shelving units. Septic and plumbing will be added when funds become available. To bring in passive income, we decided to rent an unused and separated portion of the storefront out to a local contracting group for their material storage use.

Securing the 1.5 acres that borders the Plaine-du-Nord property is imperitive to the continued success of our school. If we succeed in obtaining this land, it will be the site where we build the campus for the Haiti New Life Technical School and Messiah University. Our ministry goal is to empower young Haitians to become future Christian leaders and apply their new technical skills to help contribute positively to their community. We feel the expansion of our campus aligns with this goal and will further our mission with security.

Due to the precedence of this situation and the implications it brings, we will begin fundraising for the $25,000 down payment at our 4th Annual Haiti New Life Ministries Fundraiser.

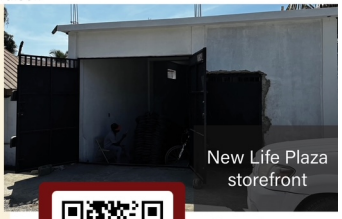

September 2025 Trip Accomplishments

- Taught a 2 day Electrical Seminar
- Purchased 1000 Banana Trees
- Replacing office fixtures
- Building maintenance
- Window and door installations
- Updated bathroom fixtures
- Updated building facade
- Furthered construction and renovation on the New Life Plaza

Renovations will continue with Gary Glabe and Ron Sutton's November trip to Haiti. Please pray for their journey and consider donating to their trip!

With grateful hearts,

The Haiti New Life Ministries Team
